

13th CEFR SIG Meeting

Wednesday, 28 May, 2025, 14.00 – 17.30h.

CALL FOR CONTRIBUTIONS

The 13th CEFR SIG meeting will convene on May 28th in Salzburg, prior to the EALTA conference, to discuss activities and progress made in relation to the uses of the CEFR, as well as related documents and projects. We are particularly interested in contributions that report on uses of and reactions to the [Handbook](#) published in April 2022 on any projects related to the issues discussed at the [Barcelona conference](#) in October 2024 .

Those interested in attending and discussing current and future developments are encouraged to contribute to the organization of the meeting by submitting either paper proposals or discussion topics. You can send your proposals to the Coordinators before **March 15th**, including

Name of the presenter(s):

Institution:

Title of the presentation:

Abstract (maximum 100 words):

Biodata (maximum 50 words):

Contact email:

Please note that presentations will be limited to 15 minutes.

Accepted proposals will be notified by March 25th. The CEFR SIG programme will be published on April 1st.

Neus Figueras and Armin Berger (Coordinators of the CEFR SIG)
